  Issued patents
  Applications

Audio message exchange system
US Pat. 5732216 - Filed Oct 2, 1996 - Internet Angles, Inc.
The program **segment** (topic) thus preferably instead allow the player to continue
with the next regularly consists of (a) a compressed **audio** program **segment ...**

Method and apparatus for providing multiple programmed audio/still image ...
US Pat. 5555098 - Filed Apr 26, 1994 - Eastman Kodak Company
There can be a different number of **audio segment files** 340, 350, 360, 380, etc.
than there are image **files** 240, 250, 260 etc. recorded on disc 4. **...**

Audio program player including a dynamic program selection controller
US Pat. 6199076 - Filed Oct 2, 1996
Using conventional text indexing techniques, the Iran- 20 script **files** of the
programs **...** When a given program **segment** contains recorded original **audio, ...**

Method for aligning text with audio signals
US Pat. 6076059 - Filed Aug 29, 1997 - Digital Equipment Corporation
A vocabulary and language model is generated from the text **segment**. **...** 1 is a
block diagram of portions of text and **audio files** to be aligned according to **...**

System and method for indexing and querying audio archives
US Pat. 6434520 - Filed Apr 16, 1999 - International Business Machines Corporation
After the **audio** file is processed, each **segment** is stored with the **...** the user
can search the stored **audio files** and data streams based on the tags and **...**

System and method for rebuilding edited digital audio files
US Pat. 5249289 - Filed Sep 28, 1989 - International Business Machines Corporation
As digitized **audio files** of any practical length typically occupy rather large
... In this way, if an **audio segment** in the original file does not have an **...**

Method and article of manufacture for content-based analysis, storage ...
US Pat. 5918223 - Filed Jul 21, 1997 - Muscle Fish
Similarly, and first derivative thereof, of the acoustical features of when the
next region is encountered whose similarity drops the **audio files, ...**

Apparatus and method for playing back audio at faster or slower rates ...
US Pat. 5386493 - Filed Sep 25, 1992 - Apple Computer, Inc.
3 calculates and loads a ular **segment** of the **audio** data, 550 bytes, for
processing buffer into the Free buffer area for output while the at block 36 as
well **...**

Computer network audio access and conversion system
US Pat. 5884262 - Filed Mar 28, 1996 - Bell Atlantic Network Services, Inc.
the message, appended text, graphics, or **audio files**, and 25 independent of ISDN
... For each file **segment**, the Parser 230 passes the structure type and the **...**

System for electrically distributing personalized information
US Pat. 5721827 - Filed Oct 2, 1996 - James Logan
Each time a logical break occurs between program program **segment**, **...** the tran-
reader or an **audio** recording of a broadcast radio program, script **files** of **...**
